PREFACE

Assalamualaikum Warahmatullahi Wabarakatuh

In an era defined by rapid technological advancements, shifting global landscapes, and evolving societal norms, the role of education has never been more crucial. The ability to adapt, learn, and thrive in this ever-changing world is a fundamental skillset that individuals must possess. The seminar proceedings presented here delve into the critical theme of empowering learners for a changing world, seeking to illuminate the pathways that lead to a more resilient, innovative, and adaptable generation of learners.

This seminar brought together a diverse array of students, all with strong passion towards improving the quality of education, all committed to the shared goal of fostering a dynamic and responsive learning environment. The contributions within these proceedings encapsulate a rich tapestry of insights that collectively lay the foundation for a holistic approach to education in the 21st century.

From innovative pedagogical approaches to the integration of emerging technologies, the seminar explored a wide spectrum of strategies aimed at equipping learners with the skills, knowledge, and mindset necessary to thrive in an ever-evolving world. Additionally, discussions centered on the importance of inclusivity, equity, and diversity in education, recognizing that true empowerment must be accessible to all.

We extend our gratitude to all the contributors, participants, and organizers who made this seminar a resounding success. May the insights contained within these pages serve as a beacon of inspiration for educators, policymakers, and learners alike, as we collectively embark on the journey of empowering learners for a changing world.

Wassalamualaikum Warahmatullahi Wabarakatuh
